Reasons for Allowance

1. Applicants' response to the last Office Action, filed 06/01/2007 has been entered and made of record.

2. The following is an examiner's statement of reasons for allowance:

Independent claims 2,5,7-10,12,13 are allowable over the prior art of record.

Claim 4 depends on claim 2 and is therefore allowable.

3. Independent claims 2,5,7-10,12,13 recite the limitations of "*wherein the correction table includes data showing the correction amount based on a value obtained by dividing a differential value between a darkroom reference luminance value at a given position in an image and the minimum luminance value of the image by a differential value between the maximum and minimum luminance values of the image.*" The combination of these features as cited in the claims in combination with the other limitations of the claims, are neither disclosed nor suggested by the prior art of record. The closest reference, Noguchi (PGPUB-DOCUMENT-NUMBER: 20030081181), does not disclose the formula as described above.

4. In view of the amended claims and the Applicant's arguments, the rejections to claims 2,5,7-10,12,13 are expressly withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
